

Grades 6 - 12

Your Name:

- Begin with Violet and follow the numbers they jump around, so be careful!
- Use pure tube color for the areas that are marked with Black Banners.
- Mix the colors that have gray banners about equal parts unless indicated with a box & formula.
- Cool colors are very dark, so dip your brush in water to thin the paint a bit, and...
- Wiping your brush on a paper towel before you paint helps keep darkest colors brighter too, by keeping the paint thin on the paper. Darkest colors have a star indicator.

Cool Colors
