

1. Vincent liked to draw and paint flowers. He is most famous for his sunflower paintings.
2. This painting is the Starry Night, and is also one of his most famous. He painting more than what he could see, adding swirls in the sky.
3. Here is a self portrait. It also has a lot of swirls in the air around him.
4. He loved color, and worked hard on this painting of trees, to get the late afternoon colors.

5. Here, Vincent Van Gogh used warm colors to make the whole painting glow with sunlight.
6. This is a painting near where he lived. In the next painting, you can see it's the exact same view, even down to the shapes of the cloud swirls!
7. He painted both of these from his drawing of the scene, and his memory of it.
8. Here, Vincent painted his own little bedroom.

9. This is another portrait, of a friend of his.
10. Sometimes even Vincent Van Gogh had to try things he wasn't very good at! His baby paintings did improve.
11. & 12. Here are some close ups of the Starry Night painting, showing how thick his paint was on the canvas.
