

CREATIONS

For students in 3rd & 4th years

Artists' Choice

Overview: You can choose to work with collage, pencil, ink, oil pastels, painting in acrylic, or watercolor, as well as any combination of these. Before beginning a new project, any work in-progress should be completed first.

Step 1. (15 minutes) Decide 3 things and find reference:

1. Medium (*pencil, oil pastel, paint, etc.*)

2. Subject matter (*landscape, animals, portrait, architecture, still life*)

3. Technique (*style, colors, movement & application*)

Step 2. (15 min) Use a pencil or charcoal and sketchpad to create a few quick sketches to get familiar with the subject and the Big Shapes inside the Frame. Don't worry about the details yet.

Step 3. (10) Prepare and set up your work area for the final artwork. Draw guidelines.

Step 4. Create.
