

Prompts for drawings

1. A tree that makes an iconic shape with it's branches, such as a heart or face.
2. A bowl of fruit, but the bowl and the fruit are all floating in the air. Use cast shadows (Off shadows) to show depth and floating in the air by making the shadow and object with space between them.
3. A face of a person that has the characteristics of an animal in the eyes, nose, or ears.
