

The Art Instructor Zig Zag Base - Tabloid version (one sheet)

Before class begins, print the ZigZag Base on **cover stock**. Cut the left and right edges off along the dashed lines and then fold in accordian fashion along the dotted lines as shown. Strips are glued in matching places.

Only Cut The Outside Right and Left Edges

Fold

Top (Mountain)

Bottom (Valley)

Paste the correct strips of artwork in each of these spaces after folding.

TheArtInstructor.com © Dennas Davis

Once all the strips are glued in place, you can cut the top and bottom lines before gluing to a cardboard base
